17 Pursuant to Local Rule 83-1.3.1, Plaintiff RDA Construction Corp. submits
18 this Amended Notice of Related Cases.

19 This action is related to the following qui tam action filed by Douglas Farrow
20 on May 9, 2005, in the Central District of California captioned *United States of*
21 *America ex rel Douglas Farrow, et al. v. Trelleborg, AB et al.* (Case No. CV-05-
22 00381-GW (SGLx)). The Fifth Amended Complaint was unsealed by the Court on
23 February 19, 2010. Plaintiffs in the Qui Tam Action allege anti-competitive conduct
24 that is substantially similar to the conduct at issue in this case and involve many of
25 the same parties and co-conspirators. The Qui Tam Action arises from the same or
26 closely related transactions, conduct or events; calls for the determination of similar
27 questions of law and fact; and would entail duplication of judicial time and
28 resources if heard by different judges.

This action is also related to the action filed on March 30, 2010, in the Central
District of California captioned *Board of Trustees of the Galveston Wharves, et al. v.*
Trelleborg AB, et al. (Case No. CV-10-2319-GW (FFMx)). Plaintiffs in the *Board*

1 of *Trustees of the Galveston Wharves* action allege anti-competitive conduct that is
2 substantially similar to the conduct at issue in this case and involve many of the
3 same parties and co-conspirators. The case arises from the same or closely related
4 transactions, conduct or events; calls for the determination of similar questions of
5 law and fact; and would entail duplication of judicial time and resources if heard by
6 different judges

7 The *Board of Trustees of the Galveston Wharves* case was recently transferred
8 from Judge Fairbank to Judge Wu, and a status conference is currently set for June
9 14, 2010 at 8:30 a.m. Plaintiff RDA Construction Corp. believes it would be
10 beneficial for all parties if this case were transferred to Judge Wu in sufficient time
11 for all parties to participate in the June 14, 2010 status conference.

13 Dated: May 12, 2010

Respectfully submitted,
